

Advising Plan

Advising plans are a tool to help students and advisors map out degree completion. These plans can be used to track your declared program or to explore programs within the LENS areas. **All degree requirements are officially listed in the University Catalog.**

Instructions:

This first page can be used as a guide to track basic requirements and keep track of your general education.

Choose your major and minor plans. You can print the pages you need or save them as pdf documents to your iPad or computer.
