Faculty who give final exams must give all exams on the date and time scheduled by the Registrar. Students are required to attend all final exams.

Students unable to take exams at the scheduled time due to school sponsored events may request to reschedule the exam. The student will make the request with the faculty member and the faculty member must work with the Registrar prior to approving the exam time.

In emergency situations faculty may approve a student to reschedule an exam in consultation with the Registrar and approval of the Chief Academic Officer.
